Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-1848, 05/19/19, 1116 hours:** The International Emergency Response Coordination Center (IERCC) advising InReach “SOS” activation at GPS coordinates 36.558477N -118.359811W, plotting on the Pacific Crest Trail (PCT) at the intersection of the John Muir Trail (JMT) within Sequoia-Kings National Park (SEKI NP). IERCC advising they are in communication with the registered owner (R/O), a solo 21 year old hiker from Hong Kong, China. The R/O is reporting he is suffering from possible frostbite and unable to continue his PCT trek. IERCC reported directly to SEKI NP dispatch and the Cal OES Law Duty Officer (LDO) confirmed with SEKI that they have assigned a lead SAR Ranger as IC. SEKI IC advising because of the severe winter storm they will have an extended eta to the R/O’s location. **UPDATE: 05/19/19, 1408 hours:** SEKI advising due to the severe winter storm not safe for ground searchers and are planning to deploy Helicopter early morning 05/20/19 when there is an expected break in the weather. In the meantime, the R/O has been directed to a nearby cabin on the (JMT). **UPDATE: 05/20/19, 0656 hours:** LDO checked with SEKI NP dispatch and was advised helicopter had not launched yet. LDO updated IERCC who advised the R/O’s location had moved to the nearby cabin area on the JMT and was now in the company of three additional PCT hikers, who was assisting him. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- Nothing significant to report.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
